

About College and Establishment

S K Somaiya College of Arts, Science and Commerce which within a very short period of time has established a prestigious name in the field of education is one of the best institutions in the Somaiya Campus. Best known for its 'Value Based Quality Education', the institution has been serving the Mumbai city since its establishment in the year 1995 with two educational streams. It boasts about fifteen under graduate and post graduate courses today. Throughout the years it has strived to mix conventional education with contemporary courses in order to make the students able and competent in the skills required for productive employment. With this view a number of career oriented courses are offered to the students. Along with the traditional method, latest technology is used to impart education to the students for enhanced learning and better results.

NAAC

The College has been re-accredited with Grade "A" with a CGPA score of 3.15 by NAAC. In the year 2000-01 a new chapter was added to our institution with the introduction of the science stream as we started the three year under graduate course in Computer Science and Information Technology. In order to meet the demands of these courses the college has setup five laboratories.

Courses

Our college provides number of programs which include Bachelor, Masters and Ph. D. Degrees. The Bachelor Degree is provided in 5 streams namely; Arts, Commerce, Management Studies, Mass Media and Science. Masters is provided in 4 streams namely; Arts, Commerce, Science and Mass Media. Further, Ph. D is provided in both Arts and Commerce.

Add-on Courses:

Our college provides three types of add on courses namely, *Certificate courses* (which include; TCS- Finance & Accounting, TCS-Campus to corporate, International Business, Stock Market Operations, Sound & film editing, Professional Skills, Laptop Repairing, Numerical Aptitude Proficiency, Film Making, Web designing, Android Application and French/German/Japanese), *Diploma courses* (which are; Sound engineering and Numerical Aptitude Proficiency) and *NDSC courses* (which are; Banking and Mutual Funds).

Festivals

Cultural and Academic festival Utkarsh is celebrated every year with great vigour and enthusiasm along with Departmental Festivals like, Zenith (BMS), Celestial (BBI), Mediatheque and Estro (BMM) and Stellar (BAF). Besides these festivals, various competitions and activities are organized throughout the year which help the students identify their talent and hone their skills under the valuable guidance of the able teachers.

Forums

The college has three forums; NSS, NCC and Student forum.

The students are encouraged to join the forums in order to learn beyond the academics and contribute in the welfare of the society. It is a great learning platform for the students. The students are awarded with certificates.

About the Cell

The internship cell at S.K. Somaiya is made entirely of students and is completely dedicated towards providing internships to the students from the best firms and help the students to flourish in their career. The students work selflessly and tirelessly to help fellow students in obtaining internships which provide great learning experience to them.

Experience of an intern

Here's an experience from a student who worked as an intern from the internship cell.

“I got my first step in corporate world as a digital marketing intern in Equinox Labs. Here I learnt a lot of important things from building diligent work style to creating websites and managing events for the company.

I thank internship cell and Equinox Labs for giving me an opportunity to explore.”

- Mumal

Measure of success

Opportunities raised- 198

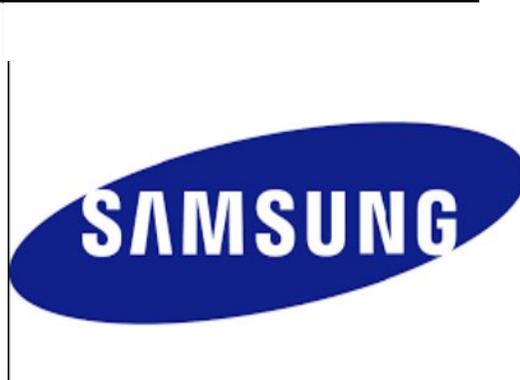

Matching- 103

Realisation- 71

Logos of Companies

Here are a few companies in which placements were provided to the students.

Placement Cell Vision –Mission

To provide a platform for students to showcase their talent and help them to secure their future.

To provide the maximum placement for the students with dedication, perseverance and total focus in the work.

The cell aims to develop the student for the corporate world and help them build career.

To invite prestigious firms for campus recruitments and to maintain good relations with them.

Experience of a fellow Internship Cell member

Working in the Internship Cell is itself an internship. So, here is an experience shared by a fellow Internship Cell member.

“Being in the internship cell helped me to familiarize myself to the corporate world and incorporated necessary skills in me which are very important and handy while working in an organization, overall it’s an essential and interesting journey so far.”

- ShubhamSuri

Acknowledgement

This initiative could not have been possible without the participation and assistance of so many people whose names may not all be enumerated. Their contribution is sincerely appreciated and gratefully acknowledged. The team, especially, would like to express its deep appreciation and indebtedness to Principal Dr.Sangeeta Kohli, Mrs.Aparna Jain, Mr.Amit Naik and Mr.PrathmeshTawade for their enormous support. Lastly, Hearty thanks to all fellow colleagues of the cell for their immense support with their best abilities.
