

PLACEMENT CELL

The placement cell is a student initiative which has evolved from the internship cell and it is comprised entirely of students. The main aim of the cell is to provide placements & internships to students of the college enrolled in various courses.

The placement cell consists of students from all the courses as well as teachers. Members of the placement cell work for the benefit of the students of the college. The working of the placement cell is largely digitalized, transparent and well-defined.

The placement cell of the college has been successful in providing a sizable number of placements as well as internships to the students in the past. Each year the placement cell is involved in conducting HR and soft skills training programs, facilitating placement & internship opportunities across varied sectors, organizing of career fest that's open to both in house students as well as students from other colleges. All the activities of the placement cell are very well-received by the student community. For further information click on this link: <https://www.skplacementcell.in>
